Photo Voice Exhibition

You are invited to a special exhibition of photographs taken by young people as part of a partnership project between Optus, The Salvation Army, Macquarie University and the City of Ryde.

'Photo Voice' is an exhibition of photographs that documents the personal interests and stories of a group of young people from the Macquarie Park area.

Taken over an eight week period, the photographs record poignant moments and memories that hold meaning for the group's relationships with people and places.

Photo Voice will be on display between 10am and 4pm on Friday 3 – Sunday 5 Sept, and Friday 10 – Sunday 12 Sept 2010 at Brush Farm House, 19 Lawson Street Eastwood.

Contact Paul Graham 9952 8312.
